Message911™ Real Life Experiences...

"Message911 is the most powerful and easiest-to-use emergency notification tool I've been able to find anywhere - hands down! It's also clearly the most cost-effective solution, and made our decision to shelve our hardware notification system very easy"

"Message911's focus on providing a truly premium product with excellent support has been outstanding."

J.C. -Atlanta, GA

"Of all the first alert systems that I have reviewed, the Message911 system is the most versatile, economical and easy to use of them all."

D.R. -Aiken, SC

"Message911 has greatly improved our local warning capability by allowing us to notify thousands of people within minutes..."

"We've used Message911 during exercises and have very positive feedback from our citizens..."

"We have a very warm working relationship with the folks at CallingPost and have greatly benefited from their knowledge and expertise..."

P.T. -Evans, GA
