■ Student Body Notifications

CallingPost allows the school's administration to quickly communicate with students for school closings or events.

■ Teacher Notifications to Parents

Updates and notifications from teachers by voice get through to parents and result in clear communication.

■ Fundraiser Communication

CallingPost makes event announcements easy to communicate.

■ Teachers Who Sponsor School Groups

Time-stressed teachers quickly reach parents/students with important announcements for clubs, bands, athletic teams, or other student group activities.

Read What School Group Leaders Say about CallingPost™

"As a single mom, a leader of two Girl Scout troops, PTA member, room parent, swim team mom, band mom, etc., etc.....there is absolutely no time to make reminder phone calls...CallingPost's phone tree is the ONLY way. You're the best thing to happen to volunteerism since the volunteer."

M.G., Atlanta, GA

"CallingPost is a wonderful broadcast phone message service for our youth group and for my classroom...I tell every teacher that I come in contact with in our district. Our church is now using it and believe me, many more will be if I can help it."

C.N., Phenix City, AL

"CallingPost has done so much to improve the communications between the HomeSchool Association and the families... We have sent messages about reminders of deadlines for returning important documents and about changes and/or updates to activities. CallingPost has been overwhelmingly embraced by everyone involved."

M.J., Augusta, GA
